## Unit 3

## Parts 2

Functions & Locations

**Present Simple**

**Do / Does**

**WHAT  
DO YOU  
DO?**

**I am a doctor.**

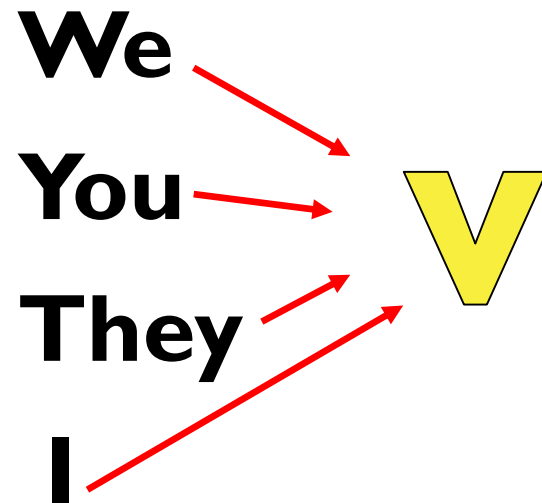

# Present Simple

## Do / does

الجملة الفعلية  
Do / does

### Plural

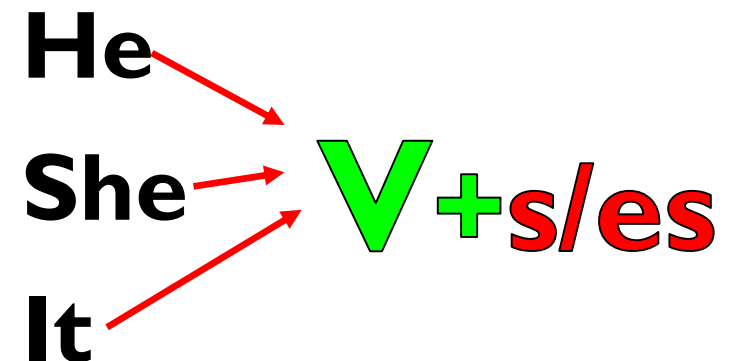

جمع

We write the lesson.

### Singular

مفرد

She writes the lesson.

# Function

**What is that ?**

**What does it do ?**

# Function

It is a **thermometer**.

It **measures** the temperature .

# Present Simple

## Do / Does

كما عرفنا سابقا :

يستخدم الفعل do او does

لنفي الجملة الفعلية في المضارع البسيط.

كما يستخدم أيضا لإنشاء سؤال في المضارع البسيط

بمعنى ( هل ) حيث تكون الإجابة نعم او لا

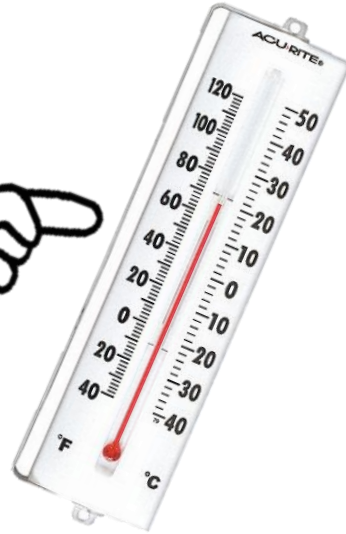

**Yes or No question**

مثال:

# Present Simple Do / Does

Does it measure temperature?

Yes, it does.

Does it measure temperature?

No, it does not.

# Function

Try to answer the followings:

## Part

- 1 thermometer
- 2 compass
- 3 torch
- 4 clock
- 5 alarm
- 6 solar panel
- 7 handle
- 8 antenna

## Function

- a) shine a light
- b) make electricity
- c) turn the dynamo
- d) tell the time
- e) find North
- f) receive radio signals
- g) measure temperature
- h) make a loud noise

Now try to make questions and sentence.

مثال Ex:

**A: Does a thermometer measure time?**

**B: No, it does not. It measures temperature.**

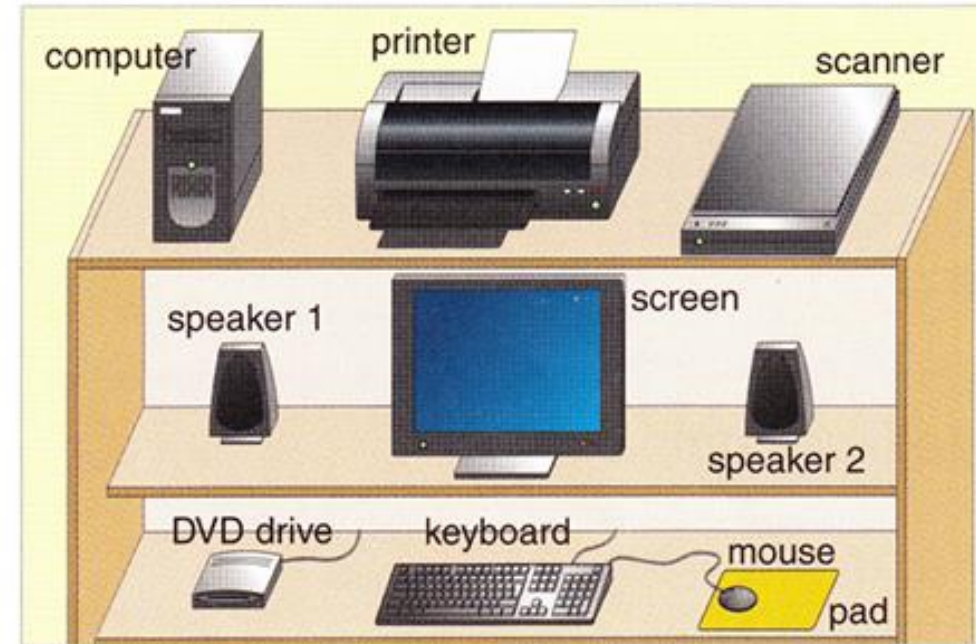

# Present Simple Locations

رأس السؤال  
where  
للسؤال عن المكان  
Location

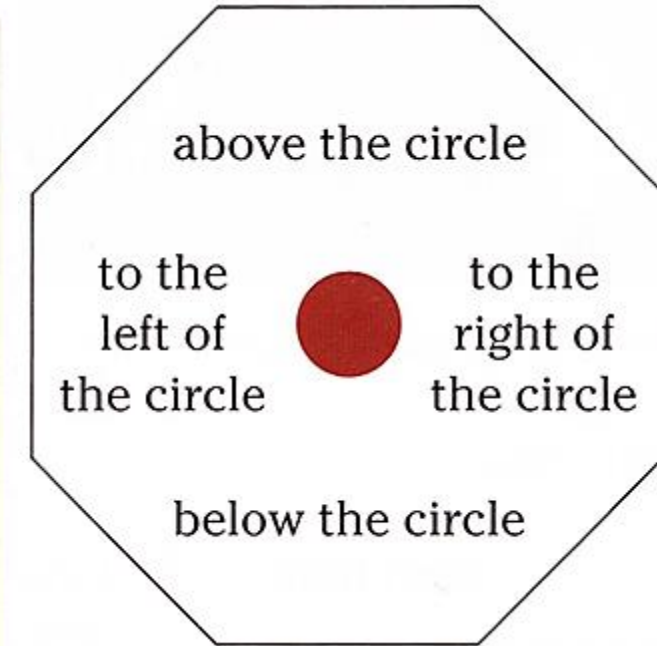

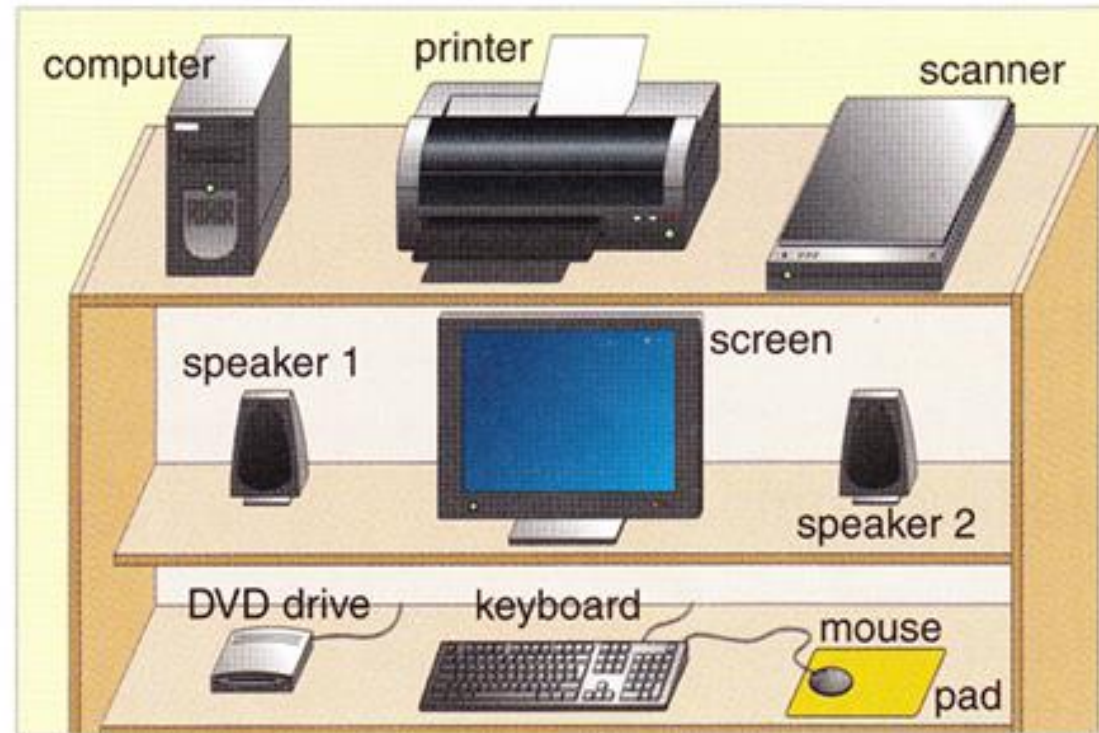

Where is it?

It is .....

Language    **in** in the middle, in the centre
